Warren Beatty is from the "Illuminati"
Beatty family .

Beatty's sister is Shirley Maclaine, whose
father was a professor and a C(I)A asset.
Shirley was used by the C(I)A and studios
as a sex slave.

And, her talents were used to get her as
an [#mindcontrol](#) intelligence slave...

Luciferian C(l)A programmers have programmed many of their "New Age" slaves to adore Shirley MacLaine who has served the Cult as a Queen Bee Venus/Aphrodite Goddess Mother.

Bees are often considered a symbol of Divine Feminine because they are ruled by queens. They are associated with the goddess Venus, in particular, because part of their labor is the fertilization of flowers, all of which come under the dominion of Venus. The Romans were the first to introduce bees and their legends to civilization. Egyptians, Greeks, Romans, and Indians are only a few of the cultures that venerated the bee. The Mother Goddess is the chief deity in the anthropological record and shows all her different manifestations as the dancing bee of which she is the Queen. She was the leader and ruler of the hive, and was often portrayed in the presence of adorning her prisoners. The beehive inspired world was popular in ancient society and confirmed the goddess's exalted status as a Queen Bee who "dances with honey". 🐝

into places that an obvious intelligence agent wouldn't be able to go. (Very standard mo.)

Shirley MacLaine was married to a man in the NSA for nearly 20 years. Her adopted name MacLaine (reportedly her mother's maiden name) is a pun on McLain, VA where the CIA programmed her.

A New Age phenomena that Shirley MacLaine is known for is Astral Projection.

This is one of the skills that Theta **#mindcontrol** programmed victims are trained to do.

In her 1987 movie, Out on a Limb there's a scene that portrays Astral Projection:

Shirley MacLaine: Out on a Limb, Astral Projection...
